

## ***JAPAN COAST GUARD*** ***Mobile Cooperation Team***

### **Capacity Building Support for the Malaysia Maritime Enforcement Agency (MMEA) (Summary of Activity)**

- 1 Schedule:  
February 15<sup>th</sup> (Sat)-March 4<sup>th</sup> (Tue), 2025
- 2 Location:  
Lumut, Klang Malaysia
- 3 Members:  
1 officer from MCT (Mobile Cooperation Team)  
1 rescue diver from Japan Coast Guard Academy  
2 rescue divers from Special Rescue Team  
2 rescue divers from regional district office
- 4 Participants:  
18 divers from MMEA
- 5 Activity Overview:  
Over a period of two weeks in Malaysia, the five dispatched divers with extensive operational experience conducted training on diving techniques, first aid, rope descent, transportation of patients, handling of breathing apparatuses, and obstacle-breaching training to transport persons in need of rescue with breathing apparatus.  
In the final training, the participants struggled with unfamiliar movement, but their hard work and dedication to training were very impressive.
